

**Ekspllosionstegning**

**Info**

Reservedelens positionsnumre er ikke de samme som positionsnumrene for komponenterne, der anvendes i brugsanvisningen.

**Liste over reservedele til TTK 655 S**

Nr.	Reservedel	Nr.	Reservedel	Nr.	Reservedel
1	Base plate	18	Star type knob	35	Cable gland
2	Structural element	19	Handle security pin	36	Control's panel sticker
3	Air inlet ventilation grid	20	Plastic handle	37	Main switch
4	Air outlet ventilation grid	21	Compressor	38	Time counter
5	Top plate	22	Running capacitor	39	Hygrostat
6	Control's side panel	23	Heat exchanger	40	Humidistat knob
7	Left side panel	24	Water pan	41	Electronic controller
8	Dummy panel for optional condensates pump	25	Hose fitting	42	Electronic controller status LED
9	1/4 turn lock	26	Hidraulic Plug	43	Defrost sensor
10	Structural foot	27	Defrost valve	44	Ambient temperature sensor
11	Rubber feet	28	Defrost valve coil	45	Shunt
12	Wheels' axe	29	Ventilation insulation foam	46	Ait filter
13	Wheel	30	Fan motor brackets	47	Axle's saddle
14	Control bars protection	31	Fan motor	48	Axle's saddle spacer
15	Handle	32	Fan blade	49	Pressure switch
16	Left tubular sliding guide	33	Control's box		
17	Right tubular sliding guide	34	Power supply cable
